Re: Abstract submission for the Vascular Annual Meeting (VAM)

Dear PVSS Members,

We are pleased to announce that the SVS and PVSS have created a combined process for abstract submission for this year's VAM. First, based on selections by program committees from both organizations, fifteen (15) papers will be selected from the abstracts submitted to SVS for presentation in the PVSS sessions of the meeting. Second, the PVSS program committee will also select eight (8) abstracts separately to complete the program. We encourage you to submit your work for consideration.

If you wish to submit your abstract for both SVS and PVSS consideration:

- When you submit an abstract to SVS <http://svs2010.abstractcentral.com/> and wish for it to be considered for PVSS sessions, it is *critical* that you check the box on the page <http://svs2010.abstractcentral.com/abstract>  Peripheral Vascular Surgery Society (PVSS). \*\*The author or co-author must be a member of the PVSS or is sponsored by a member of the PVSS.
- *If that box is not checked, it will not be considered for the PVSS sessions.*
- **Deadline for submission to SVS is January 4, 2010.**

If you wish to submit your abstract for PVSS consideration only:

- If your abstract is not selected by the joint SVS/PVSS program committee, or if you wish to submit an abstract for consideration by only by PVSS, please submit at [www.pvss.org](http://www.pvss.org) beginning on Monday, February 1, 2010.
- **The deadline for submission is February 28, 2010.**

If you have any questions, please contact Carol Long  
[carol@DMCcompanies.com](mailto:carol@DMCcompanies.com).

We hope to see you in Boston.
